

**REMARKS/ARGUMENTS**

Applicants request entry of the *Sequence Listing* in adherence with 37 C.F.R. § 1.821 - 1.825. This preliminary amendment is accompanied by a computer readable disk containing the sequence listing in computer readable form (CRF), and a paper copy of the *Sequence Listing* which has been printed from the CRF sequence listing. Thus the content of the CRF sequence is identical to that of the paper copy. The information contained in the computer readable disk was prepared through the use of the software program "PatentIn 3.2".

Applicants have amended the specification to include complete sequence identifier information (SEQ ID NOS) for Figure 7.

No new matter is believed to be added by this amendment.

If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at 650-326-2400.

Respectfully submitted,

Randolph Ted Apple
